

Biography of Dr. Sang Joon Lee

Education:

Ph.D. Korea Adv. Inst. of Sci. & Tech.(KAIST), 1986

Current Affiliation:

Director, Center for Biofluid and Biomimic Research

Director, Advanced Fluid Engineering Research Center

Prof., Dept. of Mechanical Engineering

Prof., School of Integrative Biosciences and Biotechnology

Pohang Univ. of Science and Tech. (POSTECH)

Experience:

Senior Researcher , Korea Institute of Machinery and Metallurgy, 1986 - 1986

Visiting Professor , Imperial College, London , 1988 - 1989

Visiting Professor , Johns Hopkins University, 1996 - 1997

Principal Investigator , National Research Lab. (Flow Visualization), 2000 – 2009

Advisory Professor , Pohang Steel & Iron Co. (POSCO), 1991 - Present

Professor , POSTECH, 1987 - Present

Director , Advanced Fluid Engineering Research Center, 2006 - Present

Director , Center for Biofluid and Biomimic Research, 2008 -Present

POSTECH Fellow , POSTECH, 2010 - Present

Fields of Interest:

Biofluid flow and Biomimic Technology

Microfluidics and Advanced Flow Visualization
